

a wide range in **polymers** for

Textile | Paints | Non Woven | Flocking | Paper | Packaging

PEOPLE OF INNOVATION...

An ISO 9001 : 2008 Company

Corporate Introduction

Dear Customer,

It is imperative for the chemical industry to constantly investigate & update technology to amplify the range & quality of their products to deliver the highest value to the customer, which is the objective of **"VENUS GROUP"**.

The **"VENUS GROUP"** is a professionally managed organization ever its inception since 1982, who is engaged in manufacturing of chemicals & Auxiliaries for various types of industries like Textile, Agro Emulsifiers, cosmetics, oil fields chemicals, Pharmaceuticals Chemicals etc. The company works with a vision to consider its customers as an integral part of its group.

The promoters of **Venus Group** has established a another Unit in 2007 S.E.Z. Roorkee (Uttra Khand) in the name of **M/s Arham Techno Chem** who is committed to serve customers with Polymer based products for Paint, Paper, Non-wooven Carpets, Packaging, Construction Industry etc. with high quality, economy & consistency.

Besides offering our established products, we specialize in custom-manufacturing products to suit individual requirements. Our elaborate and multi-faceted manufacturing facilities allow us great flexibility in our operations, enabling our product-range and business operations to be completely customer-driven.

Our well equipped testing facilities ensure that un-remitting quality standards are established and always adhered to. We have an excellent R & D set – up for developing new molecules and up- grading existing performance chemicals. Our R & D team works hand-in hand with our customers to deliver them timely and effective solutions.

The Key discerning features of our organization are summed up as follows :-

- **Multi-faceted** - Robust and flexible manufacturing, testing and R & D infrastructure.
- **One stop shop** - Our capabilities in handling a broad spectrum of chemistries and our vast product range, means that our customers get almost all that they want , from one place itself.
- **Ultra Quick Response Time** - We are ever alert to our customers needs and requirements , be it product development, sampling, quotations ,supplies documentation, or any other activity.
- **Customer-driven product line** - We deliver exactly what the customer wants, when he wants, as he wants.
- **Splendid R & D back - up** - Our customers can quickly grow their business through free access to our vast treasures of products, technology and Knowledge.

TEXTILE DIVISION

At Cryl KTS	Eco Friendly Superior Pigment Printing Binder
At Cryl VLN	Pigment Printing Binder
At Cryl 440	High Viscosity High quality Soft Binder
At Cryl TK40	Economical Thick Binder
At Cryl 94	Self thickening cross link Acrylic Binder
At Cryl GB-100	Premium Gold Printing Binder
At Cryl Print Polytex	Ready Khadi for Printing
At Fix ACL	Cross Linking Fixer for Printing/Flocking
At Col-EM 500	Poly Vinyl Acetate Emulsion for textile finish
At Col-EM 450	Poly Vinyl Acetate Emulsion for textile finish
At Col MB 5020/5055	Co-Polymer Emulsion with Plasticizer for body & soft handle in textile finish
At Col-MB Plus	Copolymer with Plasticizer & PVA Emulsion
At Col-400	Unplastisized PVA Emulsion Economical
At Col-SH 1000	For Tufted Carpet Back Coating & Wood Adhesive
At Cryl Finish FB460	Finishing Agent for Textile
At Cryl Acrytex	Finishing Agent for Textile

NON WOVEN DIVISION

At Cryl TKH 6180	Hard Binder for Back Coating of moulded Carpets
At Cryl TKH 3022	High Temp. Resistance Stiff Binder for moulded Carpet
At Cryl TKH 1200	Acrylic Emulsion For spray on Non-woven Polyfil for Adhesion

FLOCKING DIVISION

At Cryl TKH 81	Non-yellowing fast drying softest Binder
At Cryl TKH 91	Soft Acrylic flock Binder for PVC & Cotton
At Cryl TKH 909	Very High Performance Soft Binder

a name you can **trust** upon...

PAINTS & CONSTRUCTION DIVISION

At Cryl TKH 3024	Acrylic Copolymer for Glossy finish
At Cryl TKH 5050	50% Styrene Acrylate Superior Emulsions
At Cryl TKH 4550	45% Styrene Acrylate Economic Binder
At Cryl TKH 5090	Styrene Acrylic Plastic Emulsion for Road marking & Exterior
At Cryl TKH 2525	Pure Acrylic for Silky & durable Premium finishes
At Cryl TKH 5040	For High scrub Exterior Paints with better water Resistance
At Cryl Thick 600	Acrylic Thickening Agent
At Cryl DP 85	Acrylic Dispersing Agent
At Cryl CB 37	Binder for Cement mortars & for Superior water Proofing
At Cryl CB 36	Economical water Proofing for Cement mortars & Cementitious admixture

PAPER DIVISION

At Cryl TKH 990	Clay Coating Binder Gloss & Adhesion
At Cryl TKH 890	Clay Coating Binder for General Purpose

PACKAGING & MIS. DIVISION

At Cryl 1119	Premium Binder for High Speed Cigarette side Seam Adhesive
At Cryl 5200	Speciality adhesive for Varnished Cartons & Flaps
At Cryl BTA 2214	Premium Adhesive For BOPP Tapes
At Cryl LA 361	Lamination Adhesive for Premium Lamination Jobs
At Cryl PSD	Sticker Adhesive with excellent Peel Strength
At Cryl SM	Premium Synthetic Adhesive for Rubber, Shoe Foam to Foam bonding in Upholstery
At Cryl 8100	Bindi Adhesive
At Cryl FW 2835	Specially for Sole Fixing in Footwear
